Combination Spanner Set 8 - 19mm 8pc

A quality set of combination spanners that covers most medium metric sizes. The tools come in a smooth satin finish with rounded sides for a sleek, modern look. This premium set is made from chrome vanadium for strength and durability, designed for years of reliable service. The Bi-Hex (12pt) profile has a 15 degree offset head making it quick and easy to access fixings in even tight spaces. Supplied with a space-saving tool clip for efficient spanner storage, that can also be screwed to a tool chest or wall rack keeping the spanners organized and close to hand.
