0186

Ratchet Podger Spanner 13mm x 17mm

Twin-sized ratcheting podger spanner with a long, tapered shaft for easy alignment of component holes and a 13mm and 17mm Bi-Hex (12pt) ratchet head for fast assembly. Manufactured from chrome vanadium with a durable black phosphate finish and a hole for safety cord attachment. A professional tool ideal for scaffolding and construction use, precision engineered to ANSI and DIN standards.

Additional Information

- Size: 13mm x 17mm. Length: 280mm.
- Deep socket: protects knuckles when working near brickwork.
- Bi-Hex (12pt) double sided ratchet mechanism.
- Ideal for scaffolding and construction.
- Manufactured from chrome vanadium with black phosphate finish.
