LASER®

8136

# Wet Plate Double Clutch Removal & Fitting Kit - for VW

The Laser 8136 includes all the special tools required to remove and refit the wet style double clutch assembly found across the VW Group vehicle range. Use with DTI gauge and stand like Laser 6084 or similar.

## Additional Information

- For six and seven speed wet clutch transmissions.
- Transmission applications include: DQ 250 6 speed (02E), DQ 380, DQ 381 7 speed (0DW, 0DE) and DQ 500 7 speed (0BH).
- Equivalent to OEM T10055, 3438, T10303, T10524, T10302 and T10459.
- The Laser 8136 must be used with a DTI gauge and stand. Laser also recommend the use of DTI Brake Disc Run Out Kit, Part No. 6084 or 7687
- Made in Sheffield. Use in accordance with clutch and vehicle manufacturer instructions.
