

## Alternator Cover Puller - for Ducati Panigale

Alternator cover removal or installation tool specifically for Panigale models. Used to overcome the magnetic pull of the alternator so the cover can be safely removed and installed.

### Additional Information

- Applications: Ducati Superbike 1199 Panigale, Superbike 1199 Panigale S and Superbike 1199 Panigale Tricolore.
- Equivalent to OEM 88713.3922.
- Supplied with innovative 3 guide pins (M6) to ensure straight removal and fitting of the cover.
- Force screw provides a smooth progressive force to remove the cover squarely; specially shaped plastic head prevents damage to the crankshaft and shaft nut.
- Made in Sheffield
