LASER®

Rechargeable Magnifying Glass

Large, hand-held 4x magnifier with dimmable anti-glare LED lights and PMMA shatter-resistant rectangular lens, 114mm x 63.5mm. The ten, frame-mounted lights are rechargeable via USB connection (lead included) and there is a red light/green light charging indicator. The cranked-back handle has a soft rubber grip with dimmer dial to provide a focused light, ideal for reading, inspection and precision tasks and the magnifier comes with a soft storage pouch and lens cleaner to protect the magnifier when not in use.
