

Hose Clip Pliers - for Spring Type Clips

Hose clip fitting and removal pliers for clipless, spring loaded clips, including pre-opened spring band clamps.

Additional Information

- Used to fit and remove the pre-tensioned spring steel clips when clamping the coolant hoses.
- Particularly useful for the removal and fitting of clipless pre-opened SBC (Spring Band Clamps).
- Spring loaded locking function allows for single handed application.
- Maximum jaw opening range: 45mm. Sand dipped handles for improved grip.
- Spring type clamps used across the Tesla and VW Group brands.
