

In-line Air Hammer Extractor

Designed to work with all Laser 5/8" diesel injector adaptors the Laser 8727 mounts in-line with the component to be pulled allowing a more effective transmission of impact force and vibration to any adaptor with a 5/8" UNF or M18 thread. The reduction in total working length also helps increase the applications when used with the engine in the vehicle.

Additional Information

- For increased impact & vibration transfer over traditional gun style impact hammers.
- Pneumatic hammer pull function. Impacts pull instead of push.
- Supplied with M18 x 1.5mm & 5/8" UNF connection threads.
- Recommended for use with all Laser 5/8" threaded diesel injector adaptor including: Part Nos. 4760 (Delphi/Bosch CR kit), 5128 (Bosch CR dual connection adaptor), 7802 (Bosch Extractor), 6118 (Siemens M25), 6119 (Denso M20), 6120 (Siemens M27), 6121 (non-CR M12 injectors), 6122 (Delphi M14) & 6123 (off-line adaptor).
- BPM: 4500. Air consumption: 3.9CFM (approx.). Working pressure: 90PSI.
