LASER®

Cable Protector - 2 Channel

A heavy duty floor mounted cable cover ramp designed to both protect electrical cables and hoses, and help prevent tripping hazards in the workplace. It features a high-density rubber construction with a high impact plastic cable cover, with two separate channels and an interlocking design that allows for multiple ramps to be fitted together.

Additional Information

- Twin channel heavy duty cable protector ramp, with hinged cable access cover.
- Dimensions: 100 x 25 x 5cm. Channel dimensions 3 x 3cm.
- · Interlocking design, allowing for multiple ramps to fitted together. High density rubber construction with high impact plastic lid.

LASER Kamasa Gunson Connect

- · Suitable for use with electrical cables, hoses & airlines.
- Helps to prevent trip hazards in any workshop, bodyshop, factory & more.
