

Mini Work Lamp - 10W COB

A 1000 lumens mini COB work lamp featuring high, low and flashing settings, powered by a rechargeable 2000mAh lithium-ion battery. The robust ABS plastic and thermoplastic rubber body features a fold out stand with a magnetic base to keep it in place and to shine the light where it's needed, together with an integral carabiner clip to either allow it to be used hands free or to ensure it can be kept close at hand. Supplied with a USB Type-C charging cable.
