

Magnesium Alloy Single Hammer Impact Wrench 1/2"D - 50th Anniversary

Part of the 50th anniversary selection the Laser 9289 1/2" drive impact gun is manufactured with the professional user in mind. Its magnesium alloy front body combined with a composite plastic handle and back body make for a very light but powerful air gun. Ideal for general workshop use. Launched to celebrate Laser Tools 50th year and covered by the Laser Tools special 50-year limited warranty (see website for details).
