

Mini Die Grinder with Extended Shaft & 3mm/6mm Chuck - 50th Anniversary

Part of the 50th anniversary selection, the Laser 9292 mini die grinder is part of the Laser range of mini pneumatic tools featuring high-output (0.3 HP), high-speed air motors. The Laser 9292 allows the user to operate a grinding burr in hard-to-reach areas such as inside wheels, cylinder heads, manifolds, and more. Launched to celebrate Laser Tools 50th year and covered by the Laser Tools special 50-year limited warranty (see website for details).
