

Mini Air Ratchet 3/8"D & 1/4" Hex Bit Driver - 50th Anniversary

Part of the 50th anniversary selection, the Laser 9295 mini 3/8" drive & 1/4" hex bit air ratchet wrench is part of the Laser range of mini pneumatic tools featuring high-output (0.3 HP), high-speed air motors. The Laser 9295 features a 2-in-1 head, that can either drive 3/8"D sockets or 1/4" shank hex bits. Allows for increased speed and efficiency when tightening and loosening fixings, and is ideal for use in confined or hard to reach areas. Launched to celebrate Laser Tools 50th year and covered by the Laser Tools special 50-year limited warranty (see website for details).
