

Socket Set 1/4"D - 23pc - 50th Anniversary

A 23-piece Chrome Vanadium socket set with a hard-wearing, functional satin chrome finish, the Laser 9325 1/4" drive set is supplied in an easy-to-store, impact-resistant case, designed to last 50 years or more. Chrome Vanadium steel offers exceptional strength, durability and resistance to corrosion, making it ideal for demanding tasks and environments. The added chromium protects against rust, while the vanadium enhances toughness and wear resistance. Launched to celebrate Laser Tools 50th year and covered by the Laser Tools special 50-year limited warranty (see website for details).
