

## Oil Funnel Adaptor for 7980 - Renault/Nissan

This specially designed adaptor was introduced following customer requests from those who purchased the Laser 7980 and 9120 funnel kits. It allows these popular kits to be used on Renault and Nissan 1.6 and 1.9L diesel engines.

### Additional Information

- For use with Laser oil funnel kits, Part Nos. 7980 & 9120.
- Designed to fit Renault & Nissan diesel engines with 2-pin locking tabs.
- Applications include: 1.2 eTech, 1.6L & 1.9L DCi engines.
- Plastic moulded adaptor with locking tabs & seals to specifically fit the cam cover.
- For 1.5 DCi engines fitted with the dip stick incorporated in the filler cap, please see Part No. 9316.
